*In case you are wondering, here’s a list of our services:*

### **Energy Work**

Betty’s energy work can rebalance your fields to promote healing as well as assisting you to be more in alignment with your natural state of well being.

#### **Testimonial:**

“Betty has amazing intuitive abilities and she possesses an encyclopedic understanding of the human body. I was truly blessed to receive healing from Betty – I was experiencing pain and discomfort on my right leg that has since been released! I felt a tremendous shift after my session with Betty! Betty exemplifies Universal compassion and love and is an excellent healing channel!” JoAnn, Phoenix, AZ

### **Crystal Layouts**

Offering Crystal Layouts that combine the energies of the laying-on of stones and the messages that the stones have to share.

#### **Testimonial:**

“When I agreed to a stone healing session, I thought of the many vibrations I feel when I hold a stone and thought the experience would be a symphony of their song (vibrational song). Instead, I was gifted with a powerful and gentle emotional experience that allowed me to transcend experiences that had lingered with me from childhood into adulthood. For me, it was an experience that accomplished, in one session, what may have taken many years of counseling. Thank you Shari.” Eliz (Colorado)

## Readings

Shari offers messages from Spirit to help you. Consider getting a reading to get more clear on different perspectives to assist you. Each of us, in various times in our lives, needs to talk to someone about what is on our minds. If you are needing to talk to an unbiased and non-judgmental person, call. Appointments can be in person at Star Woman Crystals (Tempe/Scottsdale border) or by phone. \$1 a minute

## **Testimonial:**

“Dear Shari, Thanks so much for the reading you gave me recently. I was quite surprised at what came out! You seem to have an uncanny ability to pin point exactly what the issues were that was ‘top of mind’ for me at that time. I love your gentle, loving approach, and I’d be happy to refer people to you who are seeking answers in their lives.” Thanks so much... Therese Skelly, Business Coach/Scottsdale, AZ
