

# Star Woman Crystals

Dear Friends,

July 22, 2010

July is flying by! We are happy to continue to offer events all summer long. Due to unpredictable attendance, we heartily encourage you to RSVP...most of our events have a minimum number of people we need to be able to have it happen. One thing constant, is change! We think one thing we are learning over and over again, is to be more flexible and open to change... and relax with it. We are grateful to be on this journey with each of you... what a beautiful path!

We also are appreciative when you call or email to set up your private appointment. Call 480-423-9512 or email [Shari@StarWomanCrystals.com](mailto:Shari@StarWomanCrystals.com) for your personal appointment to visit, shop or get a reading.

## **July 31, Saturday 1pm** **Alternate Universe Travel Guided Meditation**

Pack light because you will time travel to another Dimension without ever leaving your seat! Patricia Tate will guide the group to another dimension where you can find specific answers to your questions, meet spiritual guides, angels, people who have passed on or people in the present. Anything or anyone may appear to you in this dimension, with a specific message for you according to your present situation. This exercise is fun, easy and can be done on a daily basis for those who use it as a meditation. After Patricia guides you through this experience, you will have a chance to share your experience, ask questions, and receive answers about your specific visions. \$20

**RSVP by July 29, 6pm.**

Since early childhood, Patricia Tate has recognized her intuitive and artistic abilities to heal, transform, and create. She also realized that all her abilities come from Source as she has allowed and accepted that infinite power to flow through her for divine outcomes in all areas of her life. For the past nine years, Patricia has studied and understood the Field of Quantum Physics and the dynamics involved with healing and transformation of mind, body, and spirit. With that knowledge, she was introduced to and trained in a method that applies Quantum Physics principals, known as Matrix Energetics by Dr. Richard Bartlett. She now is an initiate of transformation for People and Animals, remote or in person. Patricia is available for private or group sessions as well as a speaker and creator of workshops and seminars that inform and help participants to reach higher levels of understanding. ## "A Past Life Reading: Finding Your Soul Song"

Open House at  
Star Woman Crystals

*Once again, we are grateful and delighted to have Paige Sullivan bring her amazing gift of combining art and psychic insight to assist each person on their path.*

Your soul is expressing a theme and each time you remember a lifetime, that particular lifetime is another piece of the puzzle to revealing what your theme or Soul Song is. In this form of a past life reading, a portrait is created of the past life you have led that is most impactful and powerful for you now. The portrait acts as a touchstone for your subconscious mind to recall more past lives as you hang it up and gaze at it. After the portrait is created, Paige will give you a reading of that past life and why it is important for you now. Your theme will emerge during this session, which can then help you to make positive changes in your current life. \$35, Reservations welcome, otherwise, first come first serve. 480-423-9512 Call if you need directions. You can visit her website at: <http://sacredmirrorart.com/>
